YOU ARE SOUTHWEST

IF, AFTER school had been dismissed some afternoon, a stranger should walk into Southwest High School, he would see the halls, now clean and bare; he could look into the empty classrooms; he might notice the gleaming trophies, the colorful murals, and the pictures of alumni honored in the Hall of Fame. All these he could see, without catching a true glimpse of Southwest.

The halls and classrooms are only the settings; the murals and trophies can merely be memorials of things past, for those of us who graduate leave only our names and a few vagrant memories. The true identity of Southwest is to be found not

in the outward manifestations of achievement, but in the inherent spirit of the school.

Southwest is composed of individuals who personify this spirit. The thousands who have entered as irrepressible eighth-graders and left as sophisticated seniors have shaped the character of the school. If Southwest is an outstanding school—one in which you take pride—the credit lies with you, the individual student. Likewise, the responsibility for the quality and the progress of this institution rests in your hands. You make it what it is; for you—cheering at the games, writing an essay for the lit. contest, or studying for a math final—carry with you the name of a great high school. *You* are Southwest.

Our Foreign Exchange Student

UWE WOLTEMADE, this year's foreign exchange student, came to us from West Germany. Through his friendliness, his excellent grasp of the English language, and his new and interesting ideas, he has proved to be a great asset to Southwest. We can only hope that this exchange has been as rewarding for him as it has been for us.

SENIOR BUSINESS COMMITTEE

EVERY year Southwest's seniors choose twenty members of their class to represent them in the Senior Business Committee. The seven members of the committee receiving the highest number of votes become the class officers. The group is responsible for the Junior-Senior Prom, the senior play, and the senior gift, as well as the various phases of commencement. Being a member of this group is indeed an honor, for the Senior Business Committee is composed of the outstanding leaders of the class.

FOOTBALL

Southwest enjoyed a fine early part of the season; however, hampered by injuries, the team absorbed some of its defeats in the latter part of the season. After a fine win over Central, Southwest met arch-rival Shawnee-Mission. It was a fine game all the way with Southwest losing an excellent chance for a win with a spree of fumbling late in the game. Southwest fell 12-18. In league play Southwest quickly recorded victories over Westport, Paseo, and Lincoln. With many starters out or hindered by injuries, Southwest lost rugged games to Northeast, East, and Southeast in succession. These losses cost the promising Southwest eleven a high place in the standings. With many fine Sophomores and Juniors coming up, Southwest can look for and expect a fine season next year.

TOP ROW: Coach Brewster, Coach Harryman, Coach Nurski, Bob Bining, Mart Horn, Burt Jensen, Fred Wilson, Steve Wochos, Jim Baker, Steve Wohlert, Bob Murray, Coach Kipp, Coach Robinson. JIM BAKER Jim, a fine hustler, played well offensively and defensively at end.

BOB BININGER Bob played well at end this year. He was noted for catching many passes and for his crushing tackles.

DICK BLAND Dick switched to end late in the season and played well there as well as at quarterback.

HOWARD CLAYMAN Howard was one of the top ground gainers in the league and a tough defensive man. He was an Honorable-Mention All-Star.

IKE FOOTLICK Ike proved to be a fine tackle. His presence will greatly bolster next year's line.

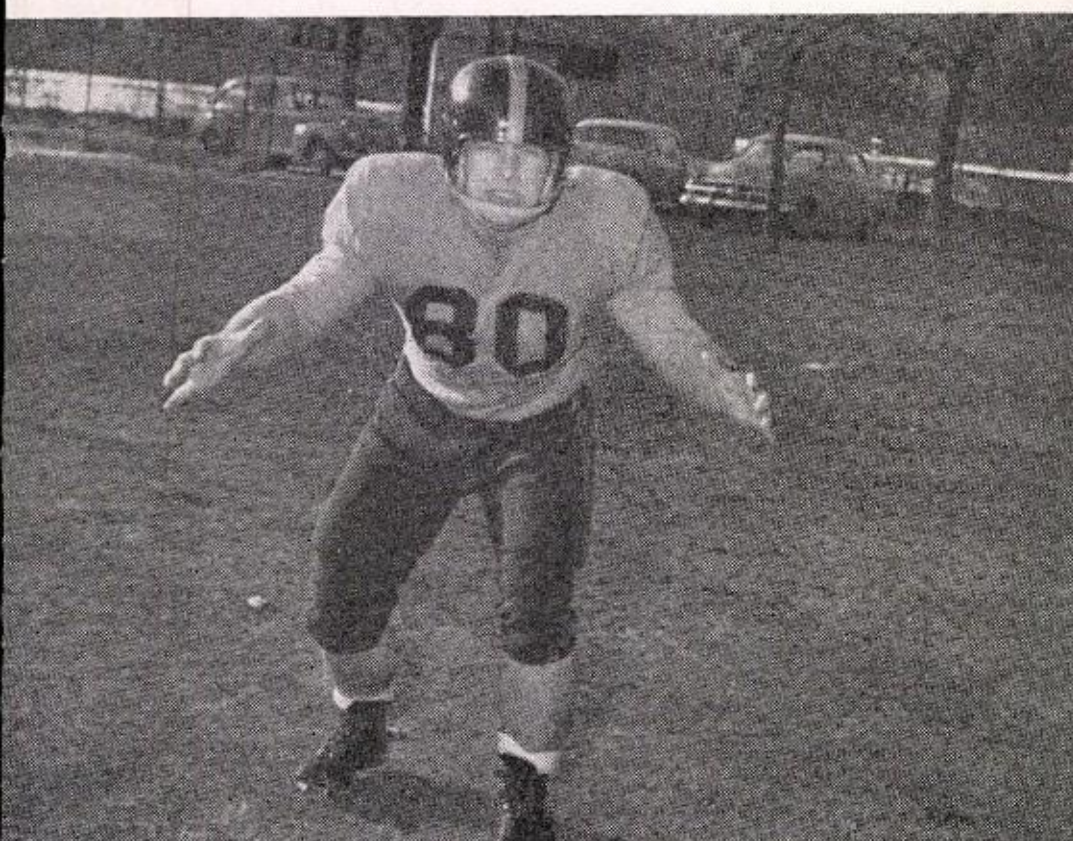

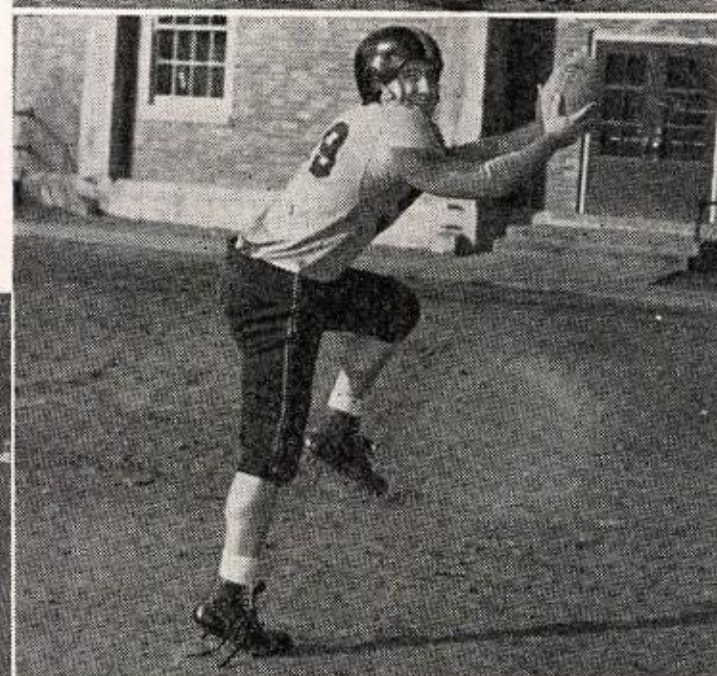

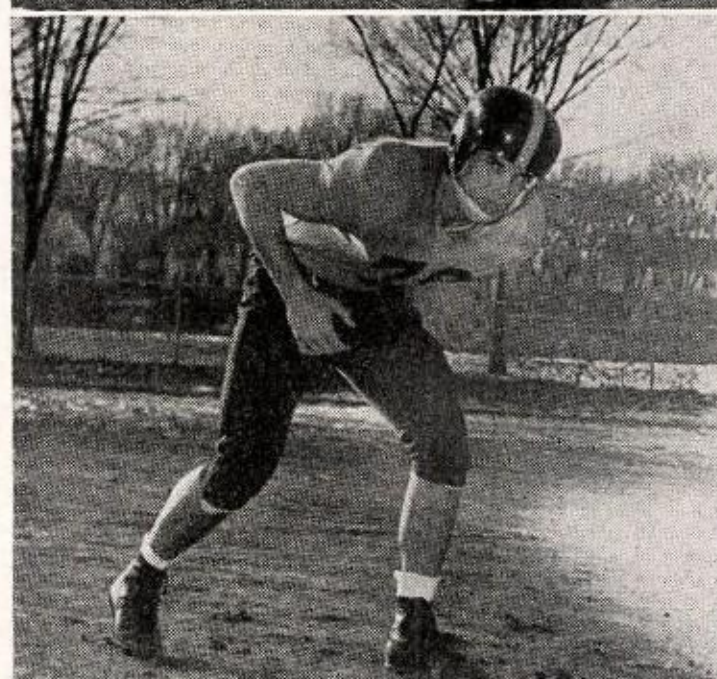

BEN GIERINGER Despite his size Benny proved to be a hard-driving back on offense and defense. He was an Honorable-Mention All-Star and honorary captain of the team.

MICKY GIERINGER Micky was a fine fullback and linebacker. Just a Junior, he will be a fine asset next year.

DICK HALL This year Dick helped brave the line in many tight situations. Just a Sophomore, he will help greatly next year.

DAVE HEWITT Dave played well in the line and in the backfield this year.

BOB HILL Bob played well in the line. Next year he will again help out the line.

ABOVE: Baker, Bininger, Bland.
LEFT: Shafran.

BURT JENSEN Burt alternated at quarterback this season. He will help there again next season.

JOHN JOFFE John was mainly a defensive and blocking back this year. He was noted for his fine rugged play.

RON McLEROY Mac played offensive center as well as defense this year. For his rugged play he was chosen on the All-City team.

BOB MURRAY Bob proved to be an outstanding tackle. His sharp blocking was greatly missed in the latter part of the season.

TOM MYERS Tom played his best

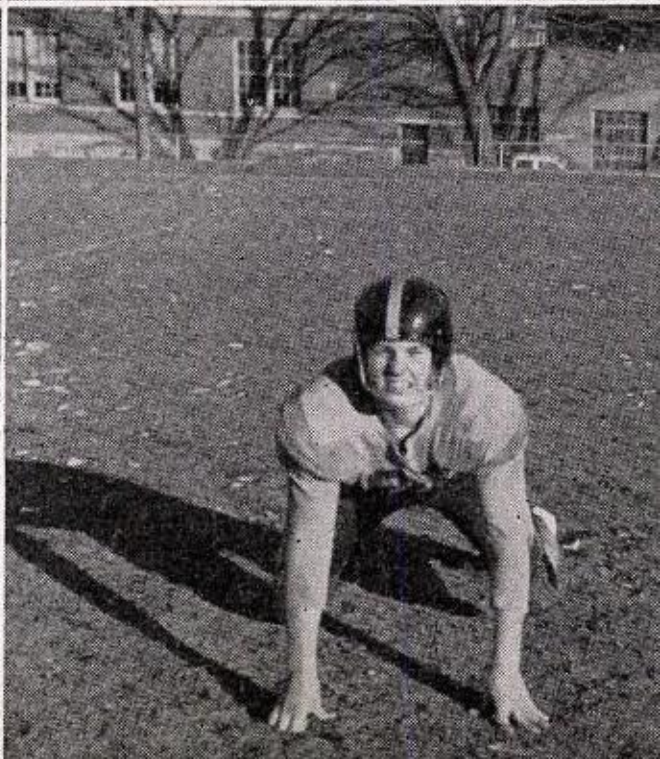

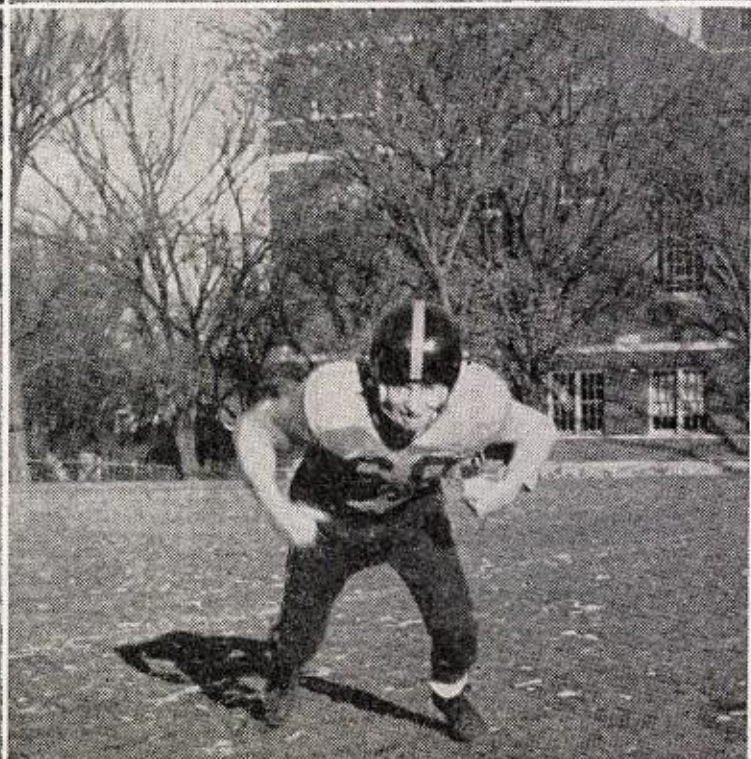

ball on defense, many times making key interceptions or tackles.

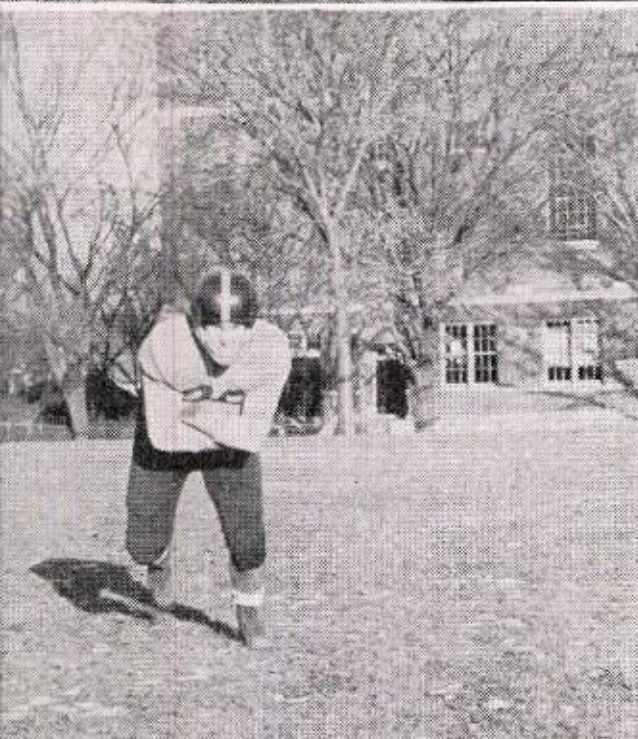

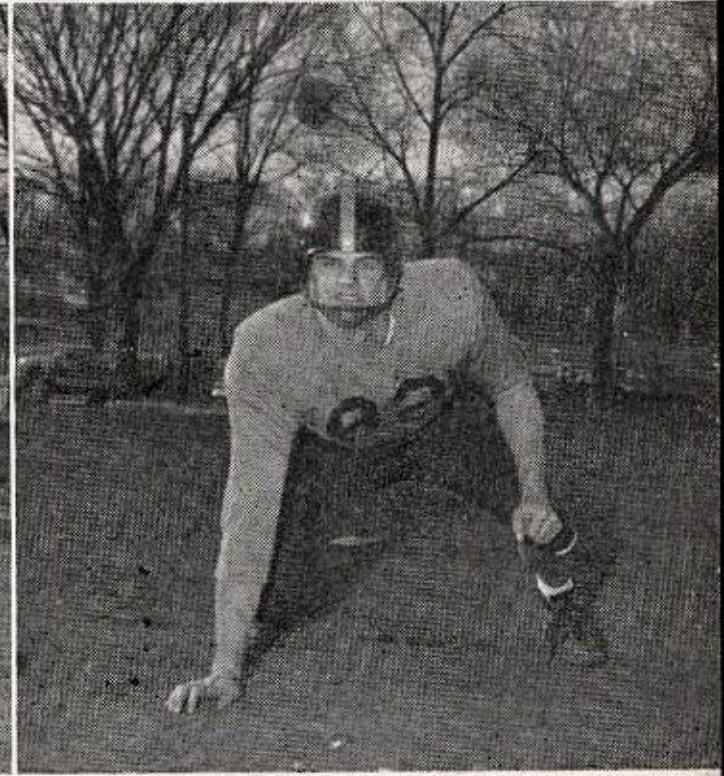

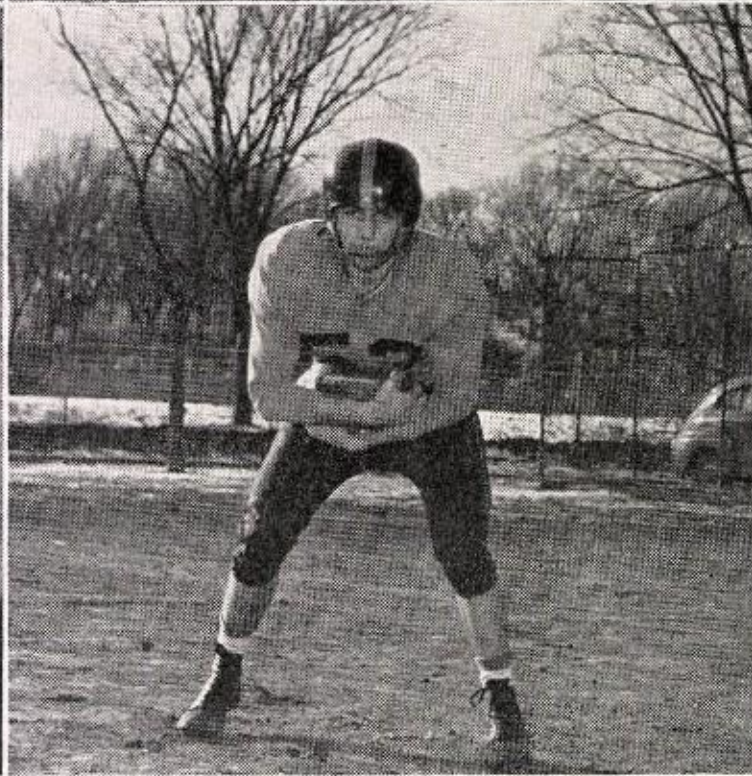

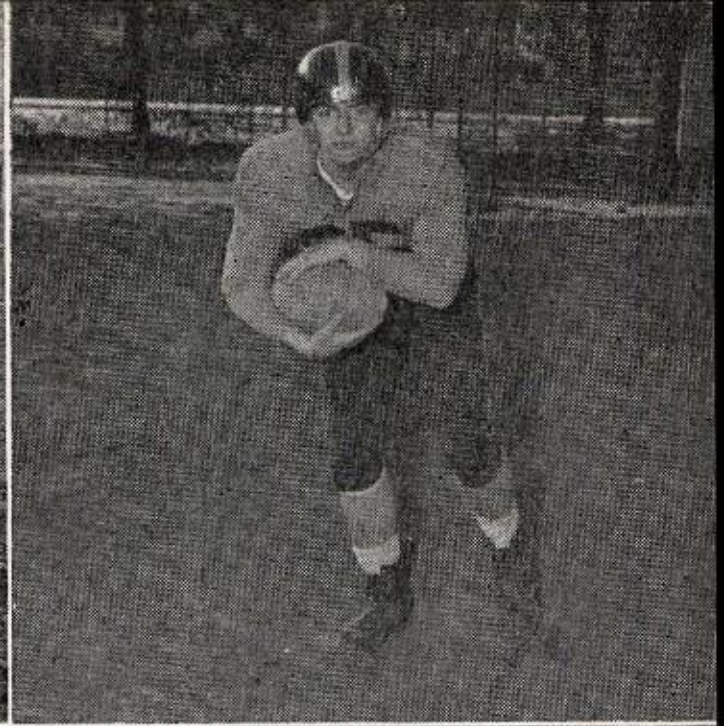

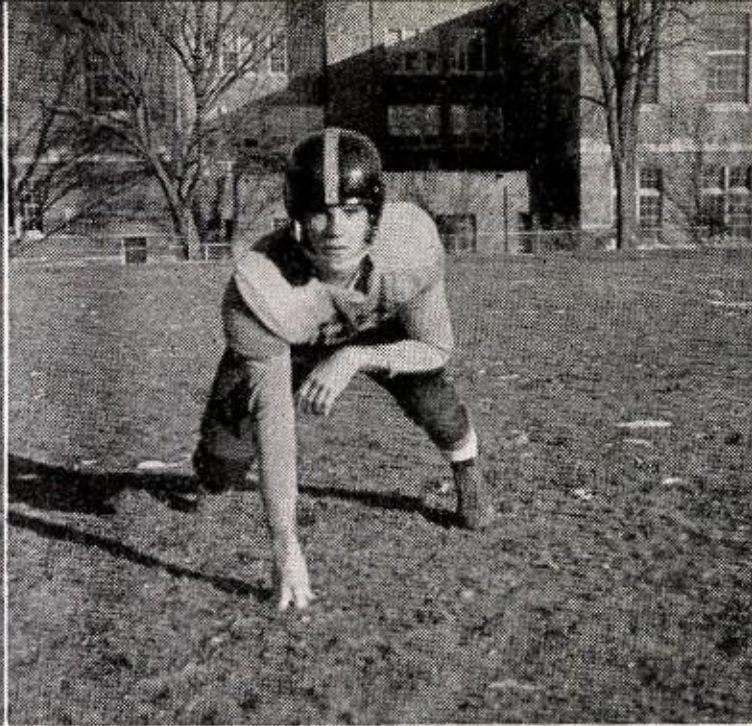

MAL SHAFRAN Mal proved to be very tough at tackle. For his fine play he was chosen as a Second Team All-Star.

HOAKY TALGE Hoaky played well in the line this year. Many times he helped lead plays or break up drives.

JOHN WALKER John was one of the regular quarterbacks this season. Often with his ball-handling he set up fine plays.

STEVE WOCHOS Steve started at end but later switched to tackle. His bulk made him a tough man to move.

Tennis

SOUTHWEST again fielded a formidable Tennis squad this year. In the Inter-scholastic League meet Dunny Vanice again captured the singles crown. Dunny proved that he probably is the best singles player in the Kansas City High Schools. Steve Vile and Herby Schaffer also performed well in the City meet in the doubles event. The team also participated in several dual meets and made the usual fine Southwest showing.

Golf

LEFT TO RIGHT: Rodney Horn, Dick Hall, Neal Sawyer, Bruce Barrick.

SOUTHWEST's 1955 golf team was composed of Bob Dibble, Neal Sawyer, Rodney Horn, and Jerry Tobey. The team lost the city championship in a close dual meet with Southeast after defeating the Knights once before. The spring 1956 team will consist of Dick Hall, Rodney Horn, Bruce Barrick, and Neal Sawyer.

BASKETBALL

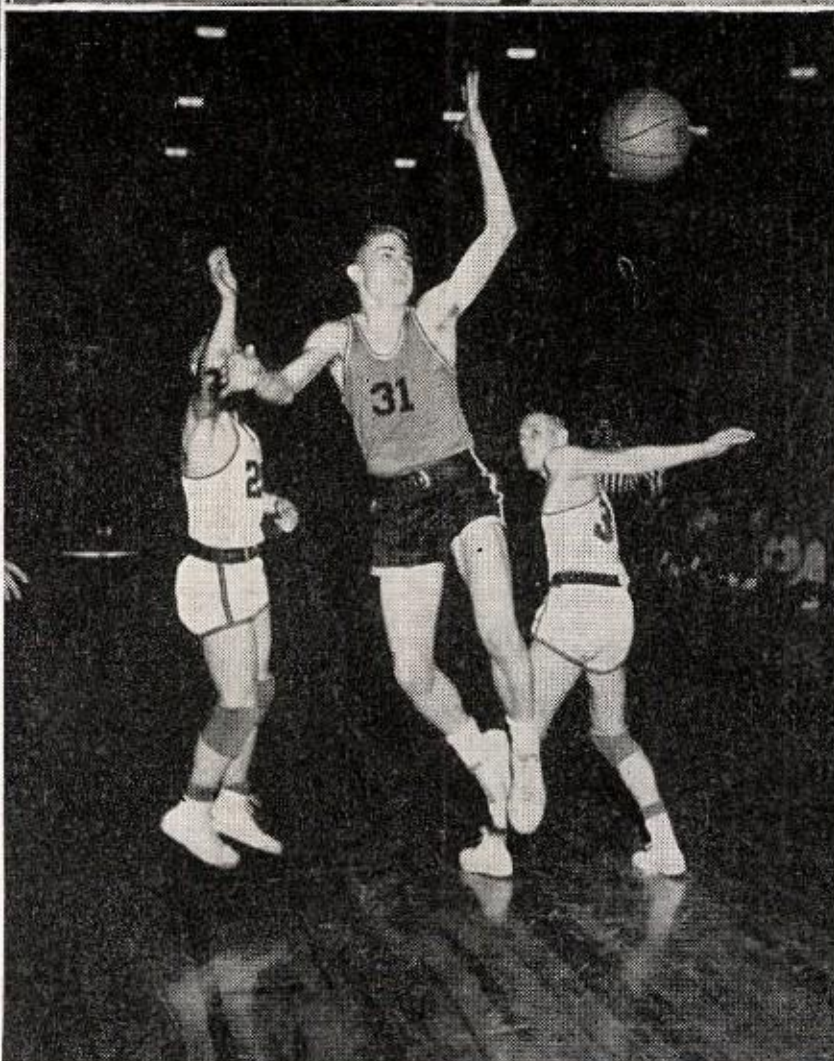

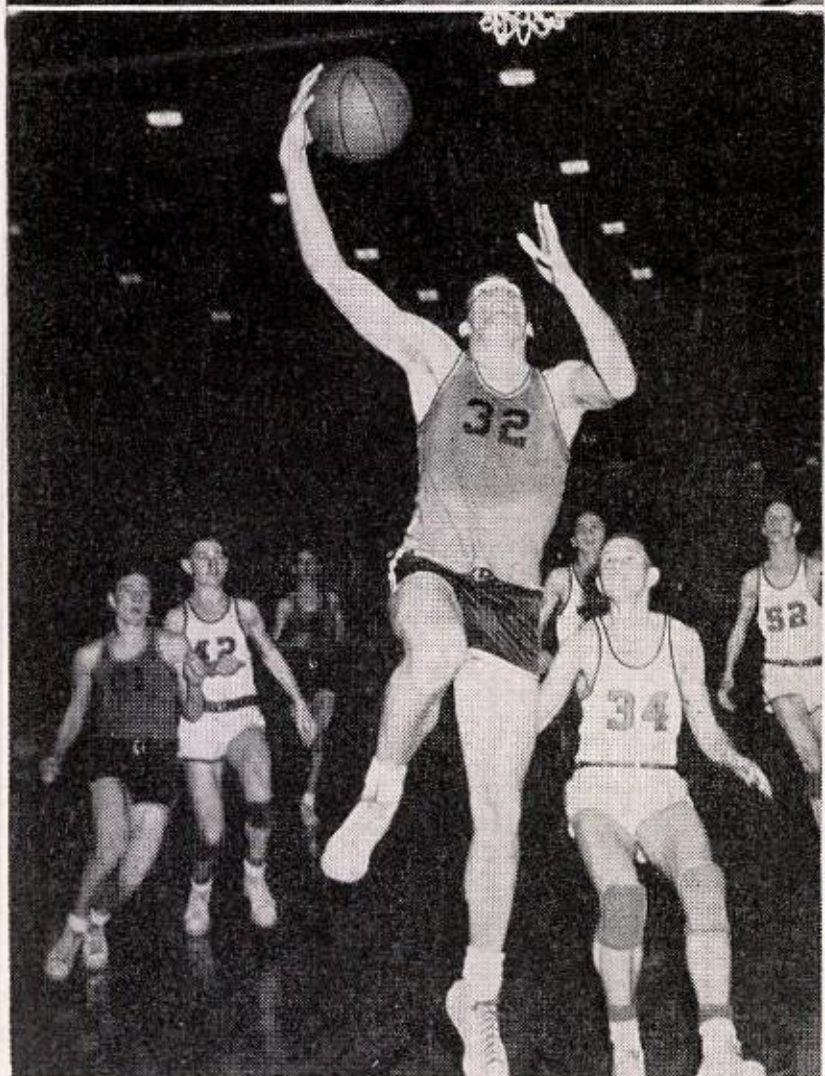

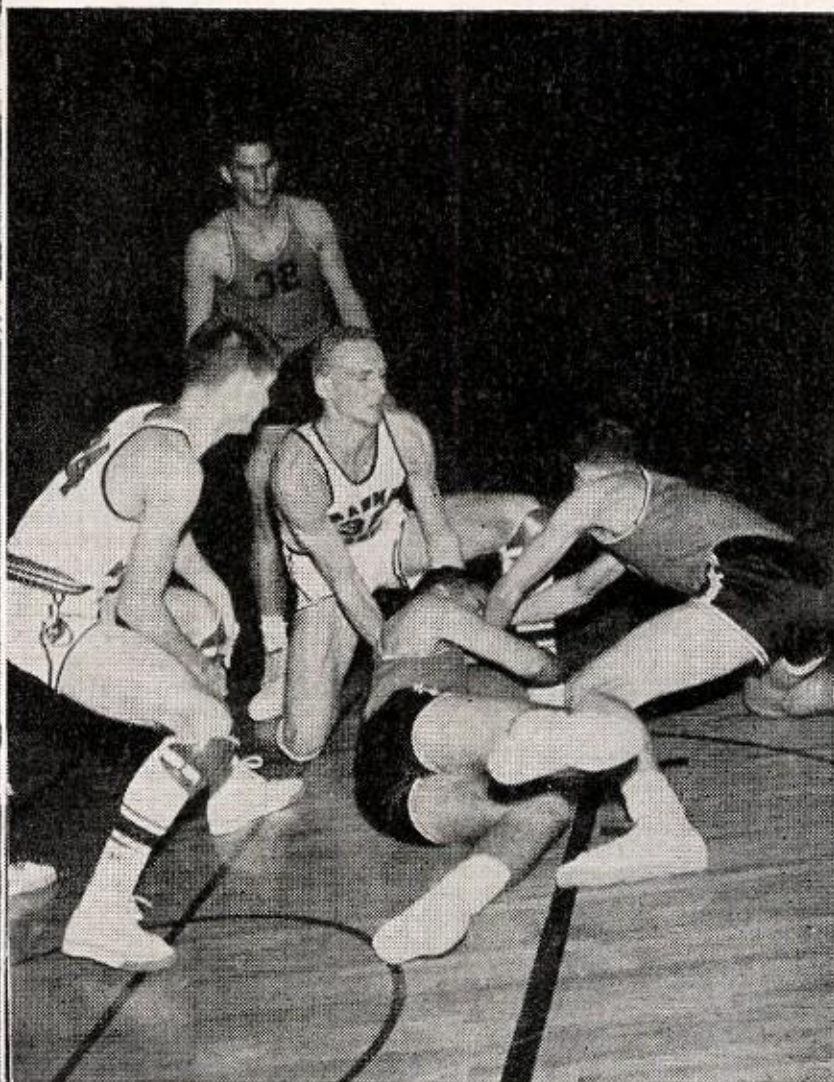

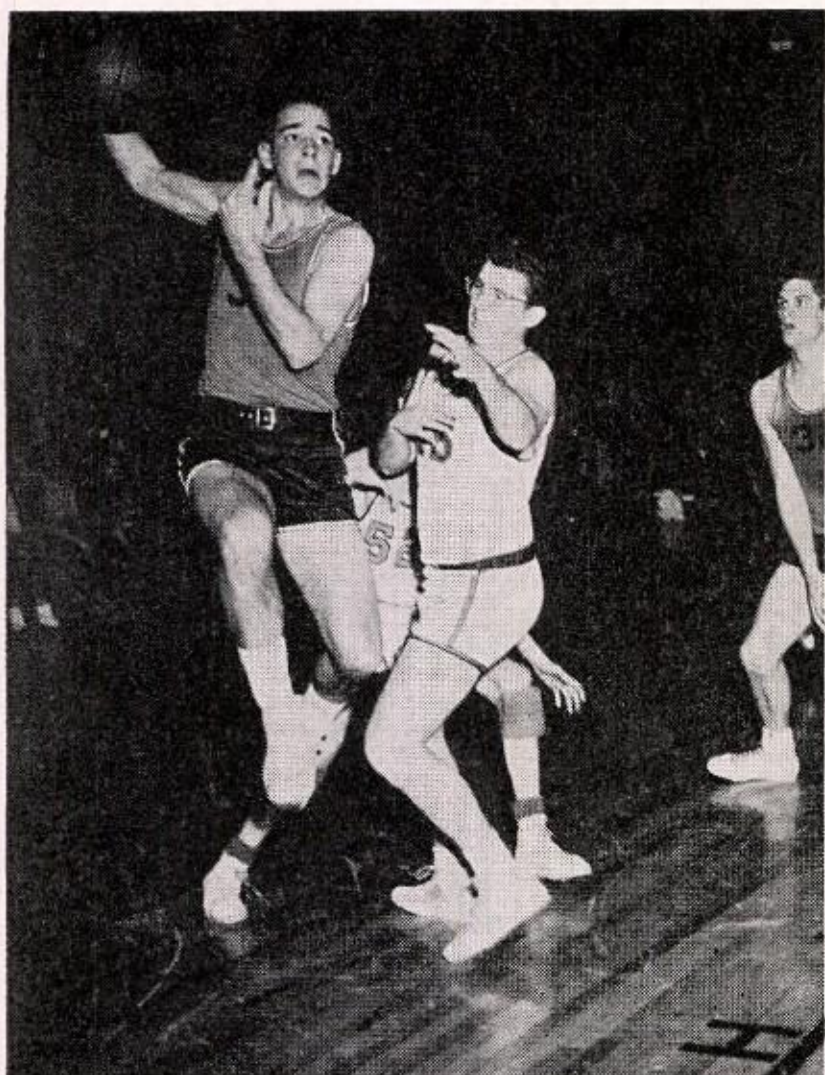

Tom Kipp
Coach

THE SOUTHWEST Indians' basketball team had a very successful season under the guidance of its new coach, Tom Kipp. The team started slowly but finally hit its stride with a close win over Raytown. Lincoln handed the team a loss in its first league game 54-40, but the team came back quickly to stop Westport and Central in league games. After a disappointing loss to Paseo, the team chalked up four consecutive victories. Southwest held on for three quarters and played a fine game against Pem-Day before bowing 76-57. The team rebounded to stop Southeast but lost close games to Northeast and East, two of the top teams in the league. Southwest captured the regionals with convincing wins over Central, Southeast, and Rockhurst; thus, Southwest went to the State tournament for the first time since 1945. At the State Mercy High of St. Louis edged Southwest 45-42.

George Ewing
Coach

SOUTHWEST had another fine Second Team under the able direction of Coach George Ewing. The Braves recorded twelve victories in seventeen games to compile a fine record. The team also tied for second place in the Inter-scholastic League race. One of the well-earned victories was over a highly-rated Pem-Day team. The team showed great hustle and will to win, and many on the team will be counted on to help on the varsity next year.

TRACK—1955

LAST YEAR, Southwest again produced a team of championship caliber. The team won an imposing victory in the State Outdoor to highlight the season. Second places were nailed down in the Shawnee-Mission Relays and the City Meet, and a first was recorded at the St. Joseph Relays. The B Team continued its undefeated domination in dual meets. The A Team boasted of some outstanding stars, but because of the lack of depth, the team was at somewhat a disadvantage in dual meets. However, the team was well-balanced, spirited, and full of good sportsmanship. This track team should remain as one of the finest in the history of the school.

GIRLS SPORTS

DURING THE year the competitive sports of hockey, speedball, baseball, basketball, ping-pong, shuffleboard, badminton, and aerial darts are enjoyed under the fine supervision of the girls' gym teachers. In the winter swimming becomes a favorite. Bowling, golf, and riding also attract those girls interested in sports as a relaxation.

HOMECOMING DANCE

The end of the football season brought one of the big events of the school year—the Homecoming Dance. Sponsored jointly by the Pep Club and the Student Council, the highly successful evening was climaxed by the crowning of the Homecoming Queen.

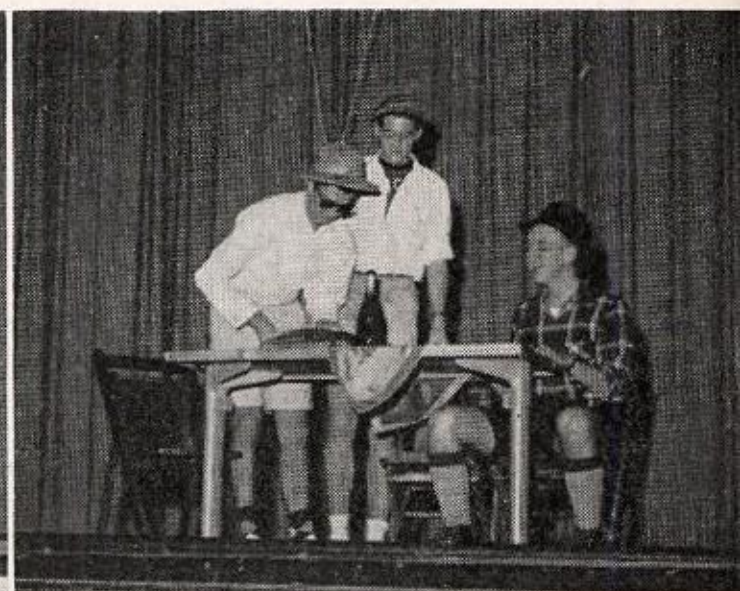

Carolyn Devine, Southwest's Homecoming Queen, is shown here with Mr. Cannon after the crowning ceremony. The queen reigned over the dance held in the gym, honoring the football team.

ASSEMBLIES

"Get the biggest deal yet — the Sachem!" says Smilin' Steve Weber, the Friendly Sachem dealer, to a prospective customer, Jack Kollmann.

Our summer exchange students to Europe, Ronnie, Jon, and Tom, recall their unusual experiences.

The Police Department Chorus entertains the enthusiastic audience of Southwest Indians with several musical selections.

The Handbook Committee, a la Macbeth, explains the great new Southwest Handbook published this year.

Senior Play

The ladies from the exclusive Garden Club for the "nice" people in town discuss Mrs. Anderson's centerpiece for their meeting.

Kathy introduces her best friend Patty, who is staying for night, to her parents. Mr. Anderson is finding out, much to his sorrow, just how complicated a quiet evening at home can become.

A tense moment occurs when the repairman for the temperamental washing machine starts brandishing his wrench and Officer Johnson steps in. Bud and his friend stand by, uncertain whether to join the fray or not.

Short Story
Edith Lawrence

YOU ARE THE

PARENTS who work with teachers to effect a greater understanding and cooperation between the home and the school.

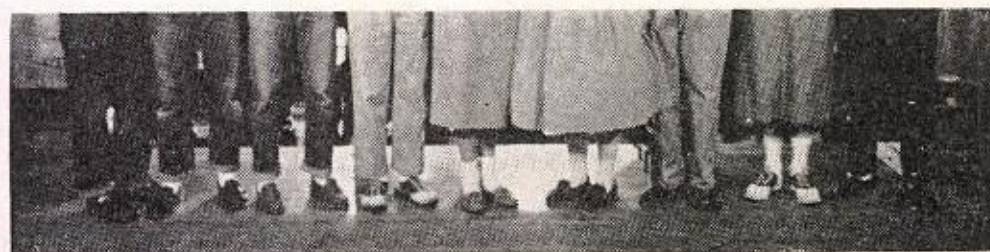

TEACHERS who help, encourage, and guide your pupils that they may be prepared to live good and useful lives.

PUPILS who, through activities both curricular and extracurricular, are discovering and developing your individual interests and abilities.

NOTE FROM THE STAFF:

Perhaps you're wondering just what this page is supposed to represent —well, we are, too. You see, this page is the one horrible fault of the '56 Sachem; 'cause darned if we haven't run out of material to use. So please pardon us if we use this page to reminisce over the past year's events in 303A: The staff's typical day always started with a bang (by the editor's whip)! If there wasn't subscription money to count for the business manager, there were always the identifications for all class and club pictures to check for spelling and be typed for the printer. And there was always some spoil-sport with an unspellable pre-historic name, always a pile of pictures to take to the engraver, always a stack of copy for the printer, always questions to answer about the color of the cover. But it's been an enlightening experience to publish the '56 Sachem, and we wouldn't have missed it for anything —well, almost anything! Oh, by the way, perhaps you've wondered where the feet go that we cut off the group pictures. Here's a typical left-over we rescued from the wastebasket — look closely, you may see your own feet, or even your friends'!

Dearest Cpc,

I really and truly appreciate all the wonderful advise and help you have given me. You've been a precious friend, Cpc; I hope to see you often as the years roll by. It's great having you as a Phil's sister. I'm glad you didn't go on anything else. The Phil's all love you ^{as} dearly as I do.

Well, the years roll by and this one is at a close. We've been thru some trying experiences (pledging) together but we've made it more the worse (so the upper class men say.) It's been fun to say the least and I know there is lots more to come.

Cpc, don't ever change. I'm crazy about you just the way you are. You're such an inspiration to me and I'll never forget it.

Best of everything in life to the best friend ever!
